

100% White Garnatxa.

Made from a single variety of White Garnatxa, fermented in open 600 ltr french oak barrels, initiated with the grape's own yeasts and finished with other selected ones.

The wine mirrors the innovative will of the cellar, looking for complexity in a traditional grape variety. It shows all the delicate aromas of the grape with intense touches that remind of peach and pineapple; it is full, round , intense and persistant.
